

When you have a busy, full life, managing the challenges faced by an older loved one can be stressful and overwhelming, whether you live nearby or far away.

Transition Senior Care can help.

## Providing Exceptional Care Management for Seniors

Aging Life Care Professional and Practice Owner L----- H----, RN, LCSW helps families understand their options and navigate the health care system or needs at home with greater knowledge and ease.

From assisting with a short-term recovery to selecting and adapting to a new living situation, Transition Senior Care's expertise helps families solve complex problems and make decisions that work.

Assessing Needs	Setting Care Into Motion	Managing Care Plan & Progress
When you bring Transition Senior Care on board to help, Director L--- H---, RN, LCSW, assesses each client personally to develop a customized care plan for your family member.	Transition Senior Care's years of expertise and top tier connections help families navigate the complex medical, financial and legal decisions needed to help seniors maintain optimal independence and well-being in any setting.	Prevent future crises by allowing Transition Senior Care to help: <ul style="list-style-type: none"><li>▪ Manage medication</li><li>▪ Supervise doctors' visits</li><li>▪ Check regularly on quality of care</li><li>▪ Provide ongoing progress reports.</li></ul>

Learn more about what sets Transition Senior Care apart from other aging life care practices and our wide range of Services. Or contact L----- H-----, RN, LCSW to schedule a time to discuss your loved one's situation and needs.

*"While helping seniors with their financial planning, I refer clients to L----- to manage and coordinate all other aspects of their care. L----- is incredibly detail-oriented, dependable, personable, and direct. No matter how difficult the situation, L----- has found a way to solve each client's problems. Her desire to help clients maintain their well-being and independence, shines clearly in all her interactions."*
